Light Shine In

Key - E

Jacob Sooter, Paul Mabury

INTRO: E - - - | - - - - | - - - - | - - - - |

VERSE 1

```
 E   A                          E - - - | B - - - |
Arise, for the light has come
             C#m    A                    E                  B - - - |
Our hearts bow down to the risen Son, the risen Son
  E  A                                E - - - | B - - - |
Arise, Raise your hands and sing
        C#m   A         C#m   B
To the one God, The one God
```

CHORUS

```
                A
          You are, You are
                E
          The matchless King
             C#m                              E
          Who tore down the gates of the enemy
                A                        E
          Make way, Make way for Christ and sing
         C#m                     B
          Let your Kingdom come,
                                  E
          Let your Kingdom come.
```

VERSE 2

Arise, for the battle's won
Darkness bows down
To the risen Son, the risen Son
Arise, Raise your hands and sing
To the one God, to the One God

BRIDGE

```
                                E
Come let your light shine in
                                B
Come let your light shine in
                            C#m - - - | A - - - |
Come let your light shine in
                                B
Come let your light shine in       (2nd x "We'll let…")
```

INTERLUDE: A - - - | E - - - | C#m - - - | B - - - | (2X)

CHORUS (2X)
