Who wore the heavens as royal robes
Fashioned the morning and the heavenly hosts
Who gave the word when all things were new
Oh God it's You, it's You

Who fixed His heart firm upon man
Knowing the cost before He began
Who gave himself when all things were new
Oh God it's You, it's You

Holy, Holy Lord Almighty
God of Glory there is none like You
Holy, Holy, Lord Almighty
God of Glory there is none like You

Who wore our sorrows as royal robes
And fashioned our victory by dying alone
Who gave himself to make all things new
Oh God it's You, it's You
