

Restore My Soul

Key: D

VERSE

Restore my soul, revive my heart
Renew my life, in every part
Reveal to me, what sin remains
Then lead me to, the cross again

CHORUS

At the cross, I'll find the way
To live the life Your hand has made
So find me there, Lord, and help me stay
In true surrender with You, my Savior

VERSE 3

Relight the fire that burned so strong
Reminding me what You have done
My one request is to be changed
So lead me to the cross again
